Length of Podcast/webinar (viewing time) in minutes:			

Briefly describe the webinar/podcast content
What was the most valuable thing you learned?
How will you apply the knowledge gained from attending this program to enhance your practice? What will you do differently because of what you learned?

Please rate the following by placing a checkmark in the appropriate table cell:	Strongly disagree	Disagree	Neutral	Agree	Strongly agree
The webinar/podcast content was relevant and valuable to best practice/evidence-based trauma (nursing) practice					
The content was consistent with and met the stated objectives					
The content increased my knowledge/competence in this subject area					
How would you rate the faculty in terms of topic mastery, content delivery, teaching strategies, student engagement, and ability to field questions? If fair or poor, explain:	Poor	Fair	Good	Very good	Excellent
How would you generally rate the webinar/podcast in terms of format, organization, pacing, timing, and quality of audio and visual presentation? If fair or poor explain:					
I would recommend this offering to other nurses for CE. If no, why not?				Yes	No
Was the content free from commercial/personal bias for or against a product and/or company?					
Did the faculty and/or sponsor representative disclose any conflicts of interest?					

**TNSCC determination:**  Approved for #        minutes or hours         Not approved/did not meet criteria
